ORDER FORM FOR MOUSER VERSION 1.0

MOUSER is an interactive training and resource package that provides decision support for the management of mouse plagues in Australia. MOUSER Version 1.0 was developed by CSIRO Sustainable Ecosystems and the Centre for Pest Information Technology and Transfer (The University of Queensland) and was supported by the Natural Heritage Trust (through the Bureau of Rural Sciences) and CSIRO. The mouse control simulator was developed in collaboration with the Centre for Agricultural and Regional Economics. The CD was launched in October 2001.

The cost of MOUSER is \$AUD 19.95 (+ \$AUD 9.95 postage and handling)

Notes: (1) The price includes GST (2) Even if you purchase more than one copy, the postage and handling is only \$9.95 (3) The postage and handling charge is the same for orders within Australia or overseas.
